This trawler became due for Annual Boiler Survey  
in October last, but the Owners now state they have transferred  
her to the classification of the Bureau Veritas.

In the circumstances the Classing Committee, who had  
the case before them on Tuesday, 21st instant, decided to  
give instructions for the vessel's character to be withdrawn  
from the Society's Register Book and three dots (...)   
inserted in lieu thereof, indicating withdrawal of class at  
Owners' request.
