SECTION No. 173

This vessel became due for Annual Boiler Survey in
October last, but the Owners have informed the Society's
Surveyor at Christchurch, N.Z. that it is not their intention
to maintain the classification of the steamer in the Society's
Register Book.

In the circumstances the Classing Committee, who had
the case before them on Tuesday, 2nd instant, decided to give
instructions for the vessel's character to be withdrawn from
the Register Book and three dots (...) inserted in lieu thereof,
indicating withdrawal of class at Owners' request.
