This ship underwent Damage, Docking and Annual Freeboard Surveys at Cadiz as long ago as July, 1959 and fees and expenses amounting to Pesetas 7,240 are still unpaid in spite of repeated attempts to secure payment.

It is understood that this vessel was expected to reach Casablanca about the 15th instant when a Special Survey, due in June, 1961, would be commenced.

In view of the length of time the above account has been outstanding you should not issue any certificates or endorse any existing certificates until full payment of this old account, together with the fees for the current Special Survey, are received in full.

Will you please keep me informed of any developments.

Yours faithfully,

The Surveyors,
CASABLANCA.
