

"S" Dept.

14th April, 1949.

Dear Sirs,

"F"

With reference to the telephone conversation which took place between us on the 9th instant respecting the Motorship "TURNIA", I have the pleasure to confirm that the vessel is considered suitable for service between the Thames and Ireland at a draught corresponding to 705 millimetres summer freeboard for approximately three months.

Yours faithfully,

The Gdynia America Shipping Lines, Ltd.,
47, Whitcomb Street,
LONDON, W.C.2.

pro Secretary.
