Gdynia, 17th January 1949.

Dear Sir,

*copy of 29.1.49*  
Motor Vessel "TURNIA"

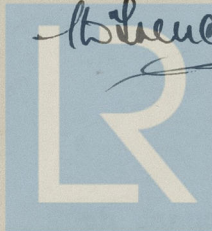

The Gdynia-America Shipping Lines Ltd. have requested that the above vessel be allowed to do one voyage to a port in Italy, probably Genoa.

The International Load Line Certificate states "and only whilst engaged on service between Poland and Ports in Northern Europe". We shall be glad to receive your advice in the matter.

Yours faithfully,

*H. Leuchard.*

The Secretary,
