SECTION No. 219

The First Special Survey No.3 of this steamer became due in February last, but the Society's Surveyors at Kobe have now cabled that it is not the desire of the Owners to maintain the vessel's classification in the Register Book.

The case received the consideration of the Classing Committee on Tuesday, 27th instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
