Grimsby, 3rd September, 1927.

Reference

Dear Sir,

With reference to the steam trawler "PRINCE VICTOR" No.09750 in the Register Book, we beg to acquaint you that the Owners' Representative has requested that the 2nd Special Survey No.1 which becomes due at the end of November next, may be deferred until about next April which will be within the year of grace allowed by the Rules. This gentleman is making arrangements for the Annual Boiler Survey, due June last, to be carried out now.

This, in our opinion, merits the favourable consideration of the Committee.

We are, Dear Sir,

Yours faithfully,

James Copeman
pro Surveyors.

The Secretary,
LONDON.
