QUESTION.

ANSWER.

With reference to the survey which became due at the end of the month on the Screw Shaft, I shall be glad to learn what arrangements are proposed to be made for the requisite inspection to take place.

sent

Date:— 30th December, 1926.

We are informed by the Owners' Superintendent that arrangements will be made for the survey of the screw shaft to be carried out when the vessel is docked, about the end of March next.

This, in our opinion, merits the favourable consideration of the Committee.
