9 BRIDGE STREET,

S.W.1. 1st March, 1939.

Dredger "Woodbrook"

Dear Sirs,

We beg to inform you that we have today heard from our Office in Port of Spain, Trinidad, that all Boiler Surveys of our dredging plant there have been carried out.

The Tailshaft and Load Line Survey of the Tug "RUMANIA" has also been carried out.

The General Examination of the Hopper Barges "NASH 1" and "NASH 2" has not yet been done.

Yours faithfully,

No notes.
