

Danish Motorship "SELANDIA".

Class:- +100A1 Awning Deck with Freeboard.

The Copenhagen Surveyors now report that the requirements of the Danish Authorities have been complied with and that Danish Convention freeboard certificates have been issued to the Owners.

The freeboards on the ship's sides are the same as those originally assigned by this Society and computed under the 1906 Board of Trade Regulations.

It is submitted the freeboards given on the accompanying form C.12(a), being those required by the Tables and the terms of the vessel's classification, merit approval, and the particulars of moulded depth, freeboard and draught be recorded in the Register Book.

This is further submitted the receipt of New York Letter of the 7th must be acknowledged and the Copenhagen Surveyors advised with reference to the verification of markings.

CONVENTION ORDINARY
CARGO FREEBOARDS.
