Dear Sirs,

F. I have to acquaint you that I am in receipt of a letter from the Danish Ministry, intimating that International Convention freeboards have been assigned to the Danish Motorship "SELANDIA" and the necessary certificates issued in accordance therewith.

I shall therefore be glad if you will forward full particulars of any alterations which have been effected, together with the usual verification of marking form, for the approval of the Committee.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
