The class is subject to the tunnel watertight door being altered to comply with the Rules at the first opportunity.

Concerning the Classification of the vessel, the Owners, in New York, have asked us to furnish with a letter from your Society indicating the recommendation with regard to the following:-

Date next Special Survey is due.  
Date of last Load Line Survey.  
Date on which Load Line Certificate expires.  
Date of last Annual Boiler Survey.  
Date of last inspection of Tailshaft.  
Date of last Drydocking.  
Any outstanding recommendations.

We shall be obliged if you will furnish us with these details so that we may pass them on to Captain N.B. Rethymnis

Yours faithfully,

RETHYMNIS & KULOKUNDIS, LIMITED.
