Dear Sirs,

m.v. " ARTIGAS " ex " BELRAY " .-  
-----

Referring your letter of 6th April we regret to advise you that the above vessel left Norway on the 7th April with out an inspection by surveyor of your society.

Unfortunately your letter suggesting us to have an inspection before she leaves Norway arrived on the 11th April and we shall appreciate to await until vessels arrival Piraeus which this expected the beginning of May to have a contact with your surveyors of Piraeus and after that contact we shall decide what class should be maintained vessel.

Yours faithfully,
