Dear Sir,

Motorship "HODA" ex."BELRAY"  
No.93203 in Supplement to R.B.

With reference to your letter of the 24th instant regarding above vessel we have to-day been in contact with the Owner who states he was somewhat perturbed that the Society would not consider the issue of a certificate in loaded condition for a voyage from Oslo to this port where they intended to carry out the Special Survey.

He states that the vessel will in all probability be granted a certificate for the voyage by the Hellenic Register of Shipping and that the question of retaining the vessel in class with Lloyd's Register will be considered after arrival at Piraeus.

Yours faithfully,

The Secretary,  
London.
