Dear Sir,

M.S. "HODA" - ex "JARMONA".

RECEIVED

20 MAR 1961

With reference to your letter of the 5th January last forwarding copies of correspondence with Messrs. Burls, Gordan & Rogers Ltd., it has now come to our knowledge that the vessel will leave for Greece soon and we have so far not received any request for attendance from the new owners.

We shall be glad to be informed if you have any information if the new owners will continue to have the ship classed in this Society. As far as we know the ship will sail from here on certificates issued by the Greek Government.

As no account has been rendered for the survey held at the request of the previous owner, we believe it will be difficult to obtain settlement from him now as we are informed by his agent that all accounts have been settled.

Yours faithfully
THE SURVEYORS
