

COPY.

FROM: THE SENIOR OFFICER, HARWICH DIVISION, RESERVE FLEET.

DATE: 23rd February, 1950.

No. 6422/29.

TO: THE SECRETARY OF THE ADMIRALTY, (FOR DIRECTOR OF DOCKYARDS),
ADMIRALTY, BATH, SOMERSET.

(Copies to:-

- The Warship Production Superintendent, Southern Area.
- The Commander-in-Chief, The Nore.
- The Flag Officer Commandin, Reserve Fleet.

VIC "63".

Enquiries have been made by the Classification Committee of Lloyd's Register of Shipping regarding a proposed date for slipping the above-named vessel, observing that a Special Survey and Screwshaft Survey was due in May, 1949.

2. The Committee have been informed that a date will be given in due course.

3. This vessel was included in the Senior Officer, Harwich Division, Reserve Fleet's proposed slipping programme No. 4895/30/1 dated 23rd December, 1949, to the Warship Production Superintendent, Southern Area, and forwarded to the Director of Dockyards by the Warship Production Superintendent's letter No. 51/3/50 dated 5th January, 1950.

4. This vessel is at present employed as a Dumb lighter to carry Hull maintenance Equipment, and its machinery is in a state of preservation.

(Sgd.) P. R. PELLY

CAPTAIN.
