Screwshaft Survey due 2.49.

Survey Due Special Survey due 2.50.

In June last the Owners stated this vessel had been allocated to the Harwich Division of the Reserve Fleet, and that it was proposed to postpone the Screwshaft Survey until the next occasion of slipping and refit was due, and action was deferred accordingly.

In reply to enquiry the Senior Officer of the Harwich Division states that Admiralty approval is awaited for the slipping of the above vessel to be included with the current programme for vessels in that Division, and he will therefore communicate the desired information as soon as he is in a position to do so.

Submitted a further communication be awaited
