# Lloyd's Register of Shipping,

71. Fenchurch Street, E.C. 3.

14th October, 1927.

Dear Sir,

I have to acquaint you that it appears from a Return received from the Society's Surveyor at Newport News that the Steel S.S. "CERRO GARDO", No. 18180 in the Register Book, is under survey at that Port with a view to classification in the Society's Register Book.

It is concluded that the survey has been undertaken with your authority, and that plans of the Hull and Machinery of the vessel have, in the first place, been submitted to your Office, in order that it may be seen for what class she could be considered eligible, but I shall be glad if you will confirm this.

I am, Dear Sir,

Yours faithfully,

Secretary.

James French, Esq.,

NEW YORK.
