Oil Engine

The First Special Survey No.1 became due in the
case of this vessel in March last.

A letter, dated 15th instant, has now been received
from Messrs. Pedder & Mylchreest, Ltd., the new Owners London
Agents, in which it is stated that they are in receipt of
a communication from the Owners, intimating that they no
longer desire to maintain the vessel's class with this
Society.

The Classing Committee had the case before them on
Tuesday, 28th instant, when they decided to give instructions
for the vessel's character to be withdrawn from the Register
Book and Three Dots (. . .) inserted in lieu thereof, indicating
6.38
withdrawal of class at Owners' request.

Alto
30th June, 1938.
