13th April, 1938.

Dear Sirs,

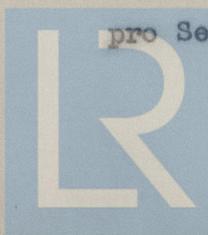

S. I beg to acquaint you that the Corporation of Lloyd's has forwarded here a copy of the report of survey held on the 4th ultimo by a Surveyor appointed by your goodselves on the machinery of the motorship "NEW DAGENHAM".

It is observed from the report that the Surveyor recommended the renewal of three cylinder covers and gear wheel of a dynamo engine and the renewal of all the starting batteries, and in these circumstances I shall be glad if you will kindly request him to state whether the recommended repairs have been carried out, or what arrangements were made in regard thereto.

I am, Dear Sirs,

Yours faithfully,

Messrs. Paterson & Co.,  
Lloyd's Agents,  
IZMIR,  
Turkey.

pro Secretary.
