12th April, 1938.

Dear Sirs,

S.

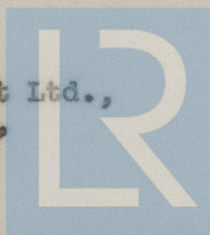

Reverting to your letter of the 23rd and mine of the 24th December last respecting the Motorship "NEW DAGENHAM", which vessel is classed for service between London and the Nore, "Summer moulded draught not to exceed 5'", I shall be obliged if, in view of the vessel having now arrived in Turkey, you will be good enough to ascertain from the Owners and let me know whether her class is to be maintained, and if so, to indicate the service for which it is now intended to employ her, with a view to the necessary alterations being made to the vessel's class in the Society's Register Book.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
