

Spare parts for M.S. "ODELIA",  
 building at yard "De Noord", Alblasserdam No. 524  
 -----

Number	Description.	30 JAN 1934
--------	--------------	-------------

Main engines.

- |    |   |   |
|----|---|---|
| 1  | set of filter gauzes for lubr.oil filter                    | 1 |
| 1  | piston complete with springs (right handed)                 | 1 |
| 1  | " " " " (left handed)                                       | 1 |
| 2  | Gudgeon pins  | 1 |
| 2  | set of pistonrings (complete for two pistons)               | 1 |
| 1  | gear wheel for camshaft drive (on camshaft)                 | 1 |
| 1  | " " " " " (on crankshaft)                                   | 1 |
| 1  | " " " " " (interval)  | 1 |
| 1  | " " " " " (interval right)                                  | 1 |
| 2  | crankpin bearings in 2/2                                    | 1 |
| 4  | bolts with nuts for crankpin bearings                       | 1 |
| 2  | Gudgeonpin brasses  | 1 |
| 1  | cylinderhead for two cylinders complete with studs and nuts | 1 |
| 1  | complete set of studs and nuts for one cyl.head             | 1 |
| 2  | inletvalves complete with springs                           | 1 |
| 2  | exhaust valves " " "  | 1 |
| 2  | set of stools and levers for inlet and exhaust valves       | 1 |
| 4  | studs and nuts for main bearings                            | 1 |
| 2  | combustion chambers complete                                | 1 |
| 1  | complete set of parts of fuel oil pump for one cylinder     | 1 |
| 2  | pipe connections between fuel oil pump and valve            | 1 |
| 10 | filter gauzes for fuel oil filter                           | 1 |
| 8  | fuel oil valves complete with sprayers                      | 1 |
| 6  | bolts and nuts for reversing coupling shaft                 | 1 |
| 6  | " " " " intermediate shaft                                  | 1 |
| 8  | " " " " crankshaft coupling                                 | 1 |

30 JAN 1934

Number	Description	
2	cast iron propellers (1 right- and 1 left handed)	1

Auxiliary engine.

- 1 pipe connection for fuel oil between pump and valve
- 1 complete set of parts of fuel oil pump for one cylinder
- 1 key for regulating rod of the fuel oil pump
- 1 lever and spindle for fuel oil pump
- 1 impeller with joints for coolingwaterpump
- 1 fuel oil valve complete with sprayer
- 2 filter gauges for lubr.oil filter
- 1 inletvalve complete with springs
- 1 exhaust valve " " "
- 2 bolts with nuts for crankpinbearings
- 1 set of studs and nuts complete for one cylinder head
- 1 Gudgeonpin
- 1 set of springs for one piston

Generator.

- 1 set of brushes and brush holders for one spindle

Bilge pump.

- 1 set of suction valves complete with springs
- 1 " " discharge " " " "
