Lloyd's Register of Shipping.

Port of ROTTERDAM,

7th March 1934.

This is to Certify that

A. BYLO,

the undersigned Surveyor to this Society did at the request of Messrs. Bohamee, N.V., Electrical Engineers at this Port issue this report in order to state that the electric light installation fitted on board of the twin screw motor vessel "DAGENILAM" of London has been fitted in accordance with the Society's Rules, approved plans and Secretary's letters; that this plant has run satisfactorily during a trial and that it meets in his opinion the approval of the Committee of Lloyd's Register of Shipping, London.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
