19th November, 1959.

Dear Sir,

m.s. "PELAYO"

With reference to your letter of 10th September, I shall be glad to know if you have any information which will clarify the following.

A letter has been received in this Office from Norwegian shipbrokers asking for a report on the condition of this ship, which they understand is now owned by an Italian salvage company who have moved her to La Spezia.

Lloyd's Daily Index reports the ship as still owned by MacAndrews and lying at Leghorn, where their Agent has been the source of your information.

Whatever the circumstances, it is felt that a posting of "In Port Damaged" would be advisable at this stage unless you have definite news concerning the ship's future.

Yours faithfully,

The Principal Surveyor for Italy,
GENOA.
