QUESTION

ANSWER

According to information received at your office, this ship struck a rock and sank outside Leghorn on 21st January. The last report we received in April stated that an attempt was to be made to raise her. As nothing further has been heard, I shall be glad if you will enquire and kindly let me know whether it is still intended to attempt to raise her or abandon as a total loss.

Date:— 8th July, 1959.

We have now obtained a communication from Messrs. Fratelli Neri, of Leghorn, informing us that a new attempt for raising the above Vessel will be done within the present week and they are hoping in a good result.

Any further information that we shall be able to obtain on this subject will be communicated to you.

Yours faithfully,
