QUESTION

ANSWER

As this ship has not been examined in drydock since May, 1957, I shall be glad to learn what early arrangements are proposed to be made for the ship to be examined in drydock.

I shall also be glad to learn what arrangements are proposed to be made for the Main Boiler Survey, due May last, to be carried out.

Date:— 13th August, 1958

This vessel is at present laid up indefinitely at Barry and the Owners inform us that she will be placed in dry dock and the Main Boiler Survey carried out before being placed in commission.
