(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report 24/5/92.)

1st No. 2 SURVEY PARTLY HELD.

When due

2.27

When proposed to be completed

Portion of Survey held, &c.,

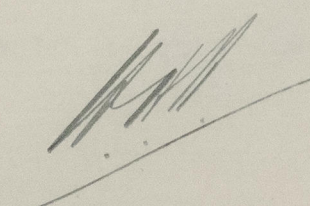

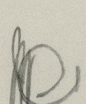

The S.S.No.2, due 2.27, has been partly held by the examination of the bottom and rudder in dry dock.

The Leith Surveyors now state the vessel is in service and they have been informed by the Owners' representative that it is not convenient to complete the survey at this time, but she will be submitted for the same as soon as possible, not later than the end of July.

In the Surveyors' opinion a further extension might be granted.

The year of grace will expire at the end of this month.

The case is submitted for the consideration of the Committee.
