QUESTION.

ANSWER.

With reference to your Report No. 17190, I shall be glad to learn what arrangements the Owners propose making to complete the Special Survey No.2 of this vessel in view of the fact that the year of grace will expire at the end of the present month.

The Owners Representative states that this vessel is in service and it is not convenient to complete the Survey in question at this time, but that she will be submitted for completion of Survey as soon as possible and not later than the end of July. In view of the amount of the Survey which has already been held, we beg to recommend that a further extension of time be granted in this case.
