Dear Sir,

M. V. "BIDWELL"

Further to my letter of the 12th September and previous correspondence, I have to say that the Owners have requested that the above ship should be withdrawn from class.

As you will be aware this ship is at present being used purely as a storage vessel and the Owners have stated that should they again decide to use her for transportation of cargo, they will request the necessary surveys for restoration of class.

Yours faithfully,

*T. H. Little*
