UNITED WITH THE BRITISH CORPORATION REGISTER

71, Fenchurch Street, London, E.C.3

24th February, 1961.

Dear Sirs,

m.s. "BIDWELL"

With reference to my letter of the 8th July last, it is concluded this vessel is still being used as an oil storage ship, but I shall be glad if you will confirm that this is so.

In addition to the Donkey Boiler Survey and Screwshaft Survey, I have to remind you that a Steam Pipe Survey is also overdue.

A Special Survey becomes due in this case at the end of April, 1961.

Yours faithfully,

c.c. New York  
c.c. Caracas

Clerk to the  
Classification Committee.
