J. Schoo,  
Macas, Venezuela.

Mr. Schoo:

I am in receipt of a letter from our London Office requesting me to confirm that the M.V. "BIDWELL" is still being used as an oil storage vessel in Lake Maracaibo, Venezuela but as I am not acquainted with this vessel and as you are Non-Exclusive Surveyor of Venezuela I would be much obliged if you will kindly ascertain and let me know if the M.V. "BIDWELL" is being used as an oil storage vessel in Maracaibo, so that I may transmit the necessary information to our London Office.

Thanking you in anticipation for dealing with this matter, and with very kind regards, I remain.

Yours very truly,

  
Surveyor.
