Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

4th January, 1934.

~~J. P. Bottomley~~
Dear Sirs,

S.

With reference to the classification in the Society's Register Book of the steamer "PILAR", I beg to acquaint you that I am in receipt of a communication from the Society's Surveyor at Magallanes, from which it appears that you have informed him that it is not your intention to continue the classification of this vessel with the Society.

The Committee have had the case before them to-day and I have to say that in the circumstances and in view of your intimation they have given instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

I am, Dear Sirs,

Yours faithfully,

Coby Mag

Clerk to the
Classification Committee.
