N.B. All alterations in the existing records should be underlined.  
Last Report, No. 13480 Port Cpu.

Periodical Surveys, when held, must be reported in detail and seriatim in the terms of the Rules and items remaining to be dealt with in the Surveys should be summarised. State clearly the cause of repairs, if any, and, in detail, the nature and extent of repairs and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from repairs on other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. When the replacement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

In damage cases where the Surveyor has not made a special damage report he is required to state whether he offered his services for this purpose and to whom and why they were declined. Was a damage report made by anyone else? if so, by whom?
