14th April, 1950.

Dear Sir,

S

With reference to your letter of the 15th and my interim acknowledgment of the 23rd ultimo referring, inter alia, to the proposed withdrawal of class of the motorship "INNESMOOR" and the Diesel Tug "LENAMILL", I shall be glad if you will once more interview Mr. Schuchmann and let me know whether the suggestion put forward in T. Department letter of yesterday's date would, if brought into operation, affect in any way his decision to relinquish the Society's classification of these ships.

Yours faithfully,

J. P. Gateley, Esq.,  
BREMERHAVEN.
