Dear Sirs,

Steamer "WAYNEGATE"
now named "KATINGO"

Reverting to my letter of the 26th April last, I have to inform you that, when making arrangements to carry out a General Examination, our Liverpool Surveyors were informed by the new Owners' Agents that the ship was to be classed with the American Bureau.

In these circumstances the case has received the consideration of the Committee, and instructions have been given for a notation to be recorded in this Society's Register Book indicating that the class of this ship has been withdrawn at the Owners' request.

Yours faithfully,

Deputy Clerk to the
Classification Committee
