Amcl.....

Dear Sirs,

I confirm my telephone conversation this morning when I said that the Middlesbrough Surveyors had advised us of the transfer to Greek flag of the "WAYNEGATE" now to be known as the "KATINGO".

We were making arrangements to attend to carry out a General Examination of special survey when we were advised by the new Owners' Agents in this Port that the ship is now to be classed with the American Bureau.

Yours faithfully,

Secretary to the
Liverpool Committee.

The Secretary,
LONDON.
