Received from Chief Ship Surveyor

VESSEL'S NAME "MARGARET CLUNIES"

REPORT Sld.

No. 34795  
(C900)

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(“The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.”—*Extract from Sub-Committee's Report, 24/5/92.*)

For particulars of this case see endorsement 29.4.48.

The requisite First Entry Report has now been furnished and the scantlings and arrangements are in accordance with the approved plans.

Before the figure '1' can be assigned particulars of the stream wire and hawsers and warps in accordance with the Rule requirements should be furnished.

It is submitted the vessel is worthy to have her present records maintained pending the completion of the Classification Survey requirements.
