Dear Sir,

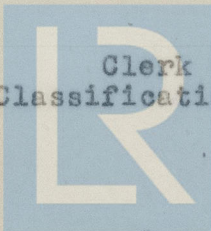

S.S. "MARGARET CLUNIES"

With reference to Greenock Report No.23652,
it is concluded the re-conversion to a cargo vessel
has been completed and that all requirements of my
letters have been complied with, but you should state
if this is so.

The First Entry Report on the hull amended as
may be necessary and all necessary approved plans should
be forwarded to this Office.

Yours faithfully,

The Surveyors,
GREENOCK.
