-----

The Boiler Survey of this trawler became  
September last, but the Owners now state that they  
withdraw the vessel from the Society's  
attention.

In the circumstances the Classing Committee,  
who had the case before them on Friday, 10th instant,  
decided to give instructions for the vessel's character  
to be withdrawn from the Register Book and three dots (...) *ram*  
inserted in lieu thereof, indicating withdrawal of class  
at Owners' request.
