Ans'd.

Dear Sir

On the 22nd I forwarded a letter regarding the Yawlet "Pesqueras Cantabricas n^o 3" ex "Penfret" ex "John Cooper" notifying you of the change of owner and name of the vessel in question.

The owners desired to know what would be the requirements of the Committee and an approximate fee for the reclassification of this vessel as they desired to have their 3 vessels of that name all in the same Society.

No reply has yet come to hand. I should be glad therefore if you would advise me what the position is regarding this matter.

I am Dear Sir

Yours Faithfully

Thomas E. Snowden.

The Secretary
London.
