With reference to your letter of the 11th instant enclosing one dated 28th June from the Admiralty Overseer at Brightlingsea regarding the survey of Admiralty Steam Trawlers laid up at that Base; I have to acquaint you that the Committee have had before them a letter received from the Admiralty, a copy of which I enclose, regarding the Periodical Surveys becoming due on 40 trawlers which are at present laid up at various ports.

From the copy of my reply, which is also enclosed, you will see that the Committee have agreed to the surveys of these vessels standing over until the annual docking takes place in each case as desired by the Admiralty, and I have to request that you will be guided accordingly.

For your convenience I enclose herewith a complete list of the trawlers referred to.

I am, Dear Sir,
Yours faithfully,

Assistant to the Secretary.

A.E. Farminer Esq.,
IPSWICH.
