24th September, 1924.

Dear Sirs,

H.

I shall be glad if you will ascertain from the Owners of the Steam Drifter "UBEROUS" and let me know what arrangements he proposes making to have the survey of the engines and boiler, which became due at the end of July last, carried out.

At the same time you will be so good as to point out to the Owner that the vessel will become due for her Half-Time Survey at the end of the present year.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

LRITH.
