Dear Sir:

I think it well to enclose copy of a letter received from the Texas Company, withdrawing a number of their small power boats and barges from classification and cancelling the loadline assignments in the case of certain others.

I have delayed sending this until I could have a talk with Mr. House, who has explained that this action has been taken because the services on which these vessels operate are now entirely inland.

I shall be obliged if you will take the necessary action in the matter.

I am, Dear Sir,

Yours faithfully,
