

17, BATTERY PLACE,  
NEW YORK.

February 17, 1939.

Dear Mr. Hutchinson:

"WEL CARIBE"  
Gal.Rpt. 3291

Referring to your inquiry regarding the above mentioned case, I may say that it does not appear likely that the vessel will overhaul in the Galveston District in the near future.

I have been in touch with the Owners who inform me that she calls at Kingston, Jamaica, and in the circumstances, I am writing to the Surveyor at that port with a view to obtaining the desired information regarding the thicknesses of the starting air receivers.

Yours faithfully,

R.P. Hutchinson, Esq.,  
LONDON.
