L SURVEYOR

Dear Sir:

Barge "EL CARIBE"
Gal. Rpt. 3291

With reference to Mr. Rennie's letter of the 30th ultimo, attached to this report, I may say that an inquiry has been made from this office regarding the service in which the vessel has been engaged, and it is learned that she has been operating satisfactorily in the West Indies. ✓

In the circumstances, it is considered that a suitable notation would be "for service in the West Indies", and the case has been submitted to the American Committee on that basis, subject to the same being confirmed by the General Committee.

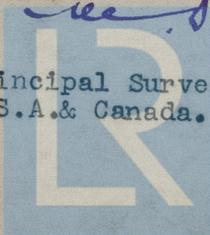

I am, Dear Sir,

Yours faithfully,

W. Bennett

Principal Surveyor
U.S.A. & Canada.

The Secretary,
LONDON.
