Railway Companies will not recognise any claim for non-delivery of goods lost in transit if they are not notified by senders within fourteen days from date of despatch; nor will they admit any claim for goods damaged or short delivered unless advised within three days of date of delivery. We cannot accept liability unless we are advised in time to allow us comply with the above conditions.
Goods damaged or short in delivery should be so signed for, or otherwise "Not Examined". Goods returned and accepted by us as defective will be replaced if required or credited at full invoice value but shall not form the subject of claim for labour or other expenditure.
