ENCLOSURE.

8th October, 1935.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "MECANICIAN MOUTTE" I beg to acquaint you that the Second Special Survey No.1 became due so long ago as September, 1934, and has not yet been completed, and the year of grace has consequently expired.

The Committee have had the case before them at their meeting today together with a letter from the Society's Surveyors at Marseilles who state that the vessel is laid up indefinitely, and in all the circumstances I have to say that the Committee will be agreeable to the vessel's class in the Register Book remaining undisturbed for the present, whilst she is laid up, subject to the conditions set forth on the enclosed form of undertaking, which I shall be glad if you will kindly sign and return to this Office in due course.

A duplicate copy of the form is also enclosed for your files.

I am, Dear Sirs,
Yours faithfully,

Copy Mrs1

Clerk to the
Classification Committee.
