QUESTION.

ANSWER.

Date:—

13th September, 1935.

With reference to your report
No. 8602, I shall be glad to learn
at definite arrangements the Owners
propose making for the Second
Special Survey No. 1 to be completed.

You will observe that the
Hull and Screwshaft Surveys will
come due at the end of the present
month.

The Owners state that the
vessel is laid up indefinitely
and that there is no prospect
of this vessel being put into
commission again.
