Lloyd's Register of Shipping.

Port Vancouver, B. C.

February 24th, 1932.

This is to Certify *that I have*

Surveyed the Boilers and Machinery of the Steel Tug "ST. FAITH"

421 tons gross register of Vancouver for annual survey of

boilers, etc. Examined sea connections and fastenings,

and that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I have

Recommended *that the record of L.M.C. be retained and*

B. S. 2,32

be made in the Register Book in the case of this vessel.

L. J. Boomer

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
