London.

Dear Sirs,

YACHTING CLUB

(Argentine Government)

I duly received your letter of the 17th March regarding certain ships of the above Club the contents of which have been noted.

The cases of the "DIRASTON MARINER", "RODRIGO RIVARAYA" and "INLAS DOMAS" have received the consideration of the Committee given instructions for a notation to be put in the Register Book indicating that the class of these ships has been withdrawn at the same time.

In the case of the "INLAS MARINER", in view of the fact that no arrangements have been made to carry out the considerably overdue survey under the supervision of the Society's surveyors, the Committee gave instructions for a notation to be recorded in the Register Book indicating that the class of the ship has been expunged on account of non-compliance with the Society's rules.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Surveyors,
